Striginae Part 19

Strix

Wanting Nos. 7, 10, 11.

Phodilus. wanting, all.

Striginae. Part 19

1/10 49

Strix. wanting Nos 7. 10. 11.

No 11. *S. leucomanna*. Eversham, should be
S. turcomanna. but it is not a *Strix*
as Eversham in his description says
it is eared.

Add to Gray's list -

No 13. *delicatula*. Gould. B. of Aust Vol 1. pl. 31

14. *tenebrosus*. Gould. do. 1 pl. 30

both of which we have
Compared with Brit. Mus. Cat. we have
an equal number of species, having
all which they have except No 10, &
having No 14, which they have not.

Phodilus wanting all.

Syrnium. Part 18. No 49.

Syrnium wanting nos 6, 10, 14, 15, 16, 18

add to Gray's list

No 12. *micolum*. Dodge. Journ. A.S.P. 14. p. 185

~~13. *peruvianum* Benth. Ex. Bot. 1921~~

14. *polygrammicum*. Gray. Cat. Brit. Mus.

15. *gonoceros*. Gray. Cat. Brit. Mus.

16. *philippense*. Gray. Cat. Brit. Mus.

17. *leptogrammicum*. Tem. Pl. Cal. 525.

18. *altatae*. Gray. Cat. Brit. Mus.

19. *virgatum*. Cassin. Proc. A.N.S. Dec. 1848

20. *albovaris*. Cassin. Proc. A.N.S. Dec. 1848

of these we have nos 12, 13, ~~14~~, 17, 19 & 20.

as to nos 14, 15, 16 & 18, being mere catalogue names without description, we can tell

nothing about them; - the species described by Mr Cassin as *virgatum*, may possibly be the *polygrammicum* of the Brit. Cat; -

the specimen which we at first took to be the *altatae*. Brit. Cat. proved to be *otus. capensis*. Smith. we have also

No 21. *micolum*. see name H. Benth.
" 22. *supper*. n. n.

two specimens, ~~resembling~~ agreeing very
nearly with Vieillot's description of
fasciata, which may be the general
of the B.M. Cat.

Otus wanting No. 9. 11. 12. 14

add to Gray's list

No. 13. madagascariensis. A. Smith

No. helveticus. Licht. Wiegmann. 1837. p. 45.

we have No. 13.

Nyctale. ——— nothing wanting

add to Gray's list.

No 3. acadica Gm.

which we also have

3/7 49 4. Harrisii Castor Br. A. N. L. Feb. 1847

41
Buboninae Part 1st 7/10⁴⁹

Bubo. wanting No. 2. 8? 11. 13

add to Gray's list

No 13. *Pillonii*. *Puissant & Desmous. L'Esclaire*

1004. en *Abypt.* pl. 3

which we have not got.

we have a specimen supposed to be No. 8. but as we have not got the *Madras Journal*. cont^y the description we cannot speak positively.

Ephialtes wanting No. 5. 6. 7. 14. 15. 18. 19. 20. 21. 22.

add to Gray's list

No. 18. *gymnopus*. Gray. *Cat. Brit. Mus.*

19 *assimilis* do do

20 *albopunctata* do do

21 *megalotis* do do

22 *grammicus*. Gosse. *Birds of Sam.* pl. 4.

23 *sagittatus*. Cassin. *Proc. A.N.S.* Dec. 1848.

24 *Watsonii*. Cassin. *Proc. A.N.S.* Dec. 1848.

of these we have only the two last

No 23 & 24

3/7⁴⁹ 25 *spilcephalus* Blyth

Babonina antinua

Ketupa. wanting p. 3.
